Dear Delegate,

Thank you for booking to attend an event at the University of Reading. We would like to take this opportunity to provide you with more information prior to your visit.

EVENT LOCATION

Palmer Conference Centre, Whiteknights Campus

The event you are attending is being held in the Palmer Building (building number 26) on the University of Reading Whiteknights campus. You will be directed to the appropriate room by the signage you will see on arrival.

You can take a tour of the Palmer Building here: hospitalityuor.co.uk/venue-reading/virtual-tours/

GETTING TO THE UNIVERSITY

We would encourage the use of public transport where possible as the University is very well connected via public transport, and you could lower your carbon footprint. Detailed information about how to get to the University of Reading can be found here: reading.ac.uk/findus and information on sustainable travel can be found here: <https://sites.reading.ac.uk/sustainability/travel/>

By Car:

The Whiteknights campus is approximately 1.5 miles from the M4 motorway.
Sat nav postcode for Shinfield Road and Pepper Lane entrances: RG6 6UR

Car Parking:

If you are travelling by car, please use Car Park 1a at the Shinfield Road entrance to the campus (Sports Park). There are closer car parks than Car Park 1a (such as 4), however these can get extremely busy during the week, and we would therefore recommend parking in Car Park 1a where you will also find signage directing you to Park House for your event.

If the event is taking place between 9am and 5pm on a weekday, please print off the parking permit you will have been sent by your organiser and display in the window of your vehicle. If the event is taking place during the evening after 5pm or over a weekend you do not need a parking permit anywhere on campus.

Failure to display a parking permit can result in a penalty notice being issued via an external company that the University are unable to cancel or refund.

By Train:

Reading train station is a mainline train station and is easily accessible from most other places in the UK. There are direct rail links from many major cities, including Birmingham, Manchester, Glasgow, Cardiff, Bristol, and Exeter, as well as several routes through London. If you are travelling from or via London, the quickest route to take is from London Paddington station as you can be in Reading within 20 minutes. GWR's range of specialised rates for Group Travel can offer up to 26% in savings and reduce your carbon footprint by over 57% and will always deliver the best value travel for your group. For more information on this, please visit:
