TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT AND STRATEGIC REPORT) FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their annual report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Oxfordshire Mind is a registered Charity (no. 261476) and a company limited by guarantee (no. 4343625) with its own constitution - the 'Memorandum and Articles of Association'. We have a membership agreement with national Mind (registered charity no. 219830) enabling us, amongst other things, to use the Mind name and logo.

Objectives and activities

Oxfordshire Mind is part of the Mind network working together across England & Wales to make sure anyone with a mental health problem has somewhere to turn for advice and support.

Our Vision:

· We won't give up until everyone experiencing a mental health problem gets both support and respect

Our Mission:

 We promote good mental health through the provision of high-quality services and campaigning for positive change

Our values:

- · Open We reach out to anyone who needs us
- Together We're stronger in partnership
- Responsive We listen, we act
- · Independent We speak out fearlessly
- Unstoppable We never give up

Oxfordshire Mind Services

During the year Oxfordshire Mind provided a wide range of services across Oxfordshire & Berkshire West including:

Information Service

For any mental health query, large or small, we provide information and signposting to services. We publish a 'Mind Guide' to mental health services, information and advice across Oxfordshire.

Options Sessions

An opportunity to talk with a Wellbeing Service Worker about mental health and wellbeing and help service users to find the right support.

Education and coping skills courses

Supporting people with their self esteem, assertiveness, stress, strong emotions and wellbeing.

Peer Support

Share activities, issues and thoughts and to meet people who share similar challenges and goals.

Benefits Advice

For anyone with a mental health problem in need of support around welfare benefits.

Oxfordshire Safe Haven (Banbury and Oxford)

A safe and welcoming space for people experiencing a mental health crisis.

Housing

Transitional Housing Recovery Services for people with serious mental illness. Provided as part of a pathway of housing services for the Oxfordshire Mental Health Partnership.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT AND STRATEGIC REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Volunteering and Involvement Opportunities

Support and training for volunteers to extend the range of services we can provide and help people develop new skills and experience. Involvement of people with lived experience and service users in shaping Oxfordshire Mind.

Primary Care & AMHT Wellbeing Workers

Wellbeing support from Oxfordshire Mind workers embedded in GP practices in Oxfordshire & Wokingham, and Adult Mental Health Teams across Oxfordshire.

A&E Work

Support for people at risk of suicide in partnership with Royal Berkshire Hospital Accident & Emergency Department.

Physical Activity & Wellbeing

Walking for Wellbeing groups and holistic support from Physical Health and Wellbeing Workers for people using the Early Intervention Service or living in Mind & Response supported housing.

Children, Young People & Families

Wellbeing Worker support within the specialist perinatal mental health team. Working with parents & carers of children and young people in the Family Solutions Plus partnership. Work with schools to promote and equip children and young people with knowledge and skills around physical health and mental wellbeing and delivery of Supported Self Help for children & young people. Also delivering our Youth in Mind partnership conferences in Oxfordshire and Berkshire, and a youth mental health forum across Berkshire West.

Community engagement projects

Supporting and informing the development of local mental health policy through amplifying community voices. In 2023-24 this included a school project focused on the impact of discrimination on mental health, a men's health outreach project, and a health inequalities project exploring disproportionate rates of Mental Health Act detentions amongst Black communities.

Fundraising standards information

Members of the Charity's fundraising department organise events and carry out fundraising activities in order to generate funds for the charity. The Charity does not use professional fundraisers or involve commercial participators. There have been no complaints about fundraising activity this year.

The charity has signed up to the Fundraising Regulator's Code of Fundraising Practice.

All the charity's marketing activities are undertaken directly to ensure that it is not unreasonably persistent or intrusive. Marketing materials contain clear details of how to unsubscribe to future communications and care is taken to limit the level of communications being sent out.

Public Benefit Statement

The Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

In developing our services, we look to

- Improve access: Reach all those in need of support, advice and information
- Deepen our impact: Provide services that lead to sustained positive improvements in mental wellbeing
- Focus on recovery: Enable people to take control and realise their potential

Our objectives are set out in our organisational Strategy 2022-25 available on our website.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT AND STRATEGIC REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Strategic report

Achievements against our Objectives for 2023-24

Within the Wellbeing Service

- We have continued to engage with work to review contracts for adult mental health services in Oxfordshire: influencing to ensure that services meet needs and that the voice of people with lived experience is represented.
- We have had our work completing physical health checks for people with severe mental illness extended and expanded, adding work in Reading and Oxfordshire to the existing, extended pilot in Wokingham for September 2023 onwards.
- We have established delivery of Peer Support in Wokingham, responding to need by offering group support in this geography.
- We have continued to expand our work with Children and Young People via the delivery of Supported Self Help within Primary Care Networks.
- · We have improved links with partner services with a view to joint delivery within NHS delivered hubs
- We have increased the proportion of our work delivered directly to different communities, reaching out to numerous existing groups to offer peer support and deliver educational and coping skills courses in new venues and areas of the county.

Within the Transitional Housing Recovery Services

- We continued to engage with work reviewing the contracts for adult mental health services in Oxfordshire with the aim of ensuring that the voice of people with lived experience is represented and future services meet needs
- Residents taking part in activities that were meaningful for them began increasing to pre-pandemic levels, from an average of 50% of residents Q1 to 60% Q4
- We achieved our objective of maintaining the current 95 units.

Within the Innovation Team

- In partnership with Bucks Mind, adopted a Berkshire-wide communications strategy and resource sharing agreement to support the Mind in Berkshire programme.
- Developed a bespoke EDIE training offer; collected more comprehensive demographic data enabling us to monitor progress against our aspiration to become more representative of the communities we aim to serve; produced a range of information resources in languages other than English.
- Published an internal evaluation of our Housing service
- Developed bespoke training and toolkits to support our Involvement work; co-chaired the Oxfordshire Mental Health Partnership Involvement Group

Communications and Campaigning

- Delivered a successful Annual Public Meeting from our Abingdon Hub, showcasing services and achievements,
- Delivered Student Mental Health Day event in collaboration with Oxford Brookes, and refreshed and relaunched our CYP web pages
- Promoted Time to Talk Day, including co-production of resources with our Berkshire Youth Mental Health Forum
- Used Mental Health Awareness Week as a platform to raise awareness of mental health issues and OxM's offer across a range of localities.

Development and Fundraising

- We were successful in generating almost a 20% increase in income from the previous year, and improving the return on investment by over 150% on the previous year.
- We were appointed as lead provider (with sub-contracting) of the Oxfordshire County Council's mental health training services contract, delivering support to new stakeholder organisations across the county, including voluntary sector, education and community groups.
- We delivered impactful fundraising events including more than 100 runners raising funds at the Oxford Half Marathon and Blenheim 7k, and sold over 1,000 tickets to our annual Comedy Gala in January 2024.
- Our winter appeal achieved over £20,000 income, with significant new supporters acquired through marketing, outreach and pro bono support from the private sector, including digital marketing at the Westgate shopping centre, widespread radio coverage and match-funding from a local supporter.
- We engaged new supporter audiences including Oxford's Rising Stars (ice hockey team), Yasa Motors, and New Look retail. In addition, we secured grant funding from nine funders (three more than the previous year).

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT AND STRATEGIC REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Contribution of Volunteers

Over 90 volunteers continued to offer valuable support and contribution to our work in 2023-24. This amounted to a total of 3,028 hours of volunteering. Our volunteers were involved in a range of Mind activities and events which included helping with our information line, supporting walks and other physical activity services, contributing to events and fundraising activity, administrative office support, and group work with users of the service. We continued to develop our volunteering offer in response to feedback so as increase the range of roles, offer more flexibility and aim to improve accessibility.

All Mind volunteers are fully trained and supervised to support them in their work with us. We welcome volunteers from all backgrounds and local communities to join us.

Financial review

Income for the year was £6,973,899. Expenditure was £6,974,330. The largest single expenditure was staff costs £5,405,474) which accounts for over two thirds of expenditure.

The principal funding sources during the year have been:

- · Funding from Oxford Health NHS Foundation Trust
- Funding from Primary Care
- Rent (primarily rent related to Mind Housing Projects)
- Funding from Oxfordshire County Council
- · Grants from Charitable Trusts and the Big Lottery Fund
- Donations and money raised through fundraising events, partnerships and training services.

Reserves Policy

Forming part of reserves, the unrestricted general fund is the working fund of the charity. Unlike the other funds, it is not restricted or designated for use for a particular or defined purpose.

The unrestricted general fund provides for the net deficit of any activities that have inadequate income of their own and for the general administration of the charity. It also provides working capital for operations and helps to provide resources to ensure that the charity is able to continue with its obligations in the event of a shortfall in income or unexpected upturn in expenditure.

The Reserves policy was revised in the year and the Board has decided now to base the reserves requirement on the estimated winding up costs of the organisation. The reserves requirement requires that the Category A creditors (employee obligations, tax obligations and professional fees associated with winding up plus a small contingency are covered by free reserves.

Gross unrestricted income and expenditure excludes both restricted income and expenditure and income and expenditure relating to major contracts to provide NHS services to the extent that they are self-financing.

Trustees consider that this level should ensure uninterrupted services and delivery of the charity's objectives regardless of short to medium term fluctuations in patterns of income and expenditure or unforeseen financial burdens.

The reserves target amounted to between £1.2 million at 31 March 2024 on the revised basis noted above, and the charity's unrestricted general funds of £1.2 million met this target.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT AND STRATEGIC REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Plans for future periods

Our future plans are informed firstly by our Strategic Plan, which looks at the challenges and opportunities facing the organisation and maps out our priorities for the future, and secondly by our Objectives and Key Results, which describes our priorities in more detail for each financial year.

Decisions made by the board and senior management team will be aligned to the four priorities of the current 2022-2025 strategic plan:

- i. Sustainability ensuring our operating model is fit for purpose
- ii. **Reach and accessibility** ensuring we meet the needs of our service users including via digital service delivery and also expansion into Berkshire West
- iii. Children and Young People the most rapidly growing area of mental health need in British society
- iv. Our people without whom nothing gets done

For the next year, our objectives are as follows:

- We will spend every penny wisely to achieve our purpose and ensure we are there for people who need us.
- We will promote and support mental health by articulating our purpose and service offer effectively and using our voice to campaign.
- We will work with people in Oxfordshire & Berkshire West to explore, identify and address unmet needs and tackle inequalities.
- We will be a great place to work, with engaged employees and volunteers who are aware of how we each contribute to the organisational purpose and goals.

Structure, governance and management

The Trustees of Oxfordshire Mind are responsible for overseeing the management and administration of the charity and have ultimate responsibility for the charity's activities. The Trustees are also the Directors of the company. Trustees are elected by the membership at the Annual General Meeting or join as co-opted members at the invitation of the Board of Trustees. Induction and training is available for all Trustees.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

N Welch (Resigned 27 November 2023) N Georgiou - Vice Chair (Resigned 27 November 2023)

A Cohen - Chair L Townsend

A Asif (Resigned 22 May 2023) A Lockwood (Resigned 28 May 2024)

T Makaya - Vice Chair

L Johnson A Farrell D Hedges C Glen

L Miller (Appointed 31 July 2023)
S Polywka (Appointed 31 July 2023)
L Pim (Appointed 26 March 2024)
R Griffiths (Appointed 26 March 2024)
M Wood (Appointed 18 June 2024)

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT AND STRATEGIC REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

The role of the Board of Trustees is:

- To ensure that Oxfordshire Mind acts in accordance with its Articles of Association, charity law, company law, and other relevant legislation or regulations
- To ensure that Oxfordshire Mind applies its resources exclusively in pursuance of its objects ("promote the preservation of mental well-being and to assist in relieving and rehabilitating persons suffering from mental disorder or conditions of emotional or mental distress requiring advice or treatment, in association with Mind in accordance with the aims and objectives of Mind")
- To provide clear strategic direction to the organisation, setting overall policy, setting targets and evaluating performance
- To safeguard the good name and values of the charity
- To protect and manage the property of the charity and to ensure the proper investment of Oxfordshire Mind's funds
- To oversee the financial affairs of the Charity

During the year 2023/24 the full Board of Trustees met regularly, and all meetings were quorate. Separate Trustee Sub Committees covering Finance, HR, Governance & Assurance and Service, Quality and Performance also met on a regular basis during the year and reported to the full Board.

The Trustees reviewed and updated the Articles of Association during the year 2023/24. Having received consent from the Charity Commission in June 2024, the revised Articles of Association were formally adopted by Written Special Resolution in July 2024.

Environmental Good Practice

Oxfordshire Mind has a policy on environmental good practice. The charity aims to minimise our impact through practical measures such as: interest free public transport season ticket loans, a cycle-to-work scheme, energy efficiency, reducing paper usage, recycling, and other measures. The policy covers our work with service users, our staff, contractors and where appropriate partners and other stakeholders.

Risk Management

The Trustees have considered risks and risk management throughout the year as part of the business of the regular Trustees' meetings. A formal strategic risk assessment and risk management register is reviewed and kept updated.

The principal risks and uncertainties for the charity as at 31st March 2024 include external risks related to the changing environment of fundraising, NHS and local government commissioning, financial impacts from higher inflation and costs. As a consequence the principle internal risks identified are sustaining culture and values across the organisation as we work over a wider geography, loss of major funding or contracts, serious health and safety incidents related to our work. We have a detailed risk management plan in place to mitigate for these which is regularly reviewed by senior management and trustees. Trustees introduced more rigorous review and monitoring of finances by the Finance sub-committee, who report back to the board.

Key Management Personnel Remuneration

The Trustees consider the Board of Trustees and the Senior Management Team as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All Trustees give of their time freely and no Trustee remuneration was paid in the year. Details of Trustee expenses and related party transactions are disclosed in note 10 to the accounts.

Trustees are required to disclose all relevant interests and in accordance with the Trust's policy withdraw from decisions where a conflict of interest arises.

The pay of the Senior Management Team is reviewed annually in line with the organisation's Pay and Reward Policy. The remuneration is reviewed to ensure that it is fair and not out of line with similar roles.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT AND STRATEGIC REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Auditor

In accordance with the company's articles, a resolution proposing that Critchleys Audit LLP be reappointed as auditor of the company will be put at a General Meeting.

Disclosure of information to auditor

Each of the Trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditor is aware of such information.

dentity such relevant information and to establish that the additions aware of such information.
The Trustees' report, including the strategic report, was approved by the Board of Trustees.
A Cohen - Chair
Trustee

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2024

The Trustees, who are also the directors of Oxfordshire Mind for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF OXFORDSHIRE MIND

Opinion

We have audited the financial statements of Oxfordshire Mind (the 'Charity') for the year ended 31 March 2024 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF OXFORDSHIRE MIND

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Trustees' report for the financial year for which the financial statements are prepared, which includes the directors' report and the strategic report prepared for the purposes of company law, is consistent with the financial statements; and
- the strategic report and the directors' report included within the Trustees' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report included within the Trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the statement of Trustees' responsibilities, the Trustees, who are also the directors of the Charity for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities, and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management, and from our knowledge and experience;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the Company.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF OXFORDSHIRE MIND

We assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence where applicable; and

• identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charitable company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected, and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- · tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- · agreeing financial statement disclosures to underlying supporting documentation;
- · reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims:
- · reviewing relevant correspondence.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the Trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Oxfordshire Mind is a charitable company limited by guarantee incorporated in England and Wales. The registered office is 2 Kings Meadow, Osney Mead, Oxford, OX2 0DP.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's Constitution, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes. The Trustees may choose to designate funds for particular purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the note to the accounts.

1.4 Income

All incoming resources are included in the SoFA when Charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the Charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained, then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the Charity and it is probable that they will be fulfilled.

For legacies, entitlement is the earlier of the Charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the Charity where it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the Charity has control over the item. Fair value is determined on the basis of the value of the gift to the Charity. No amount is included in the accounts for volunteer time in line with the SORP (FRS 102).

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

The Charity receives government and other grants in respect of the housing and care services it provides. Income from government and other grants are recognised at fair value when the Charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred. Where the Charity works with partners in providing services, but is ultimately responsible for delivery of the service, then income is recognised in full in the accounts where it meets the criteria above.

Investment income is earned through holding assets for investments purposes and includes bank interest. It is included when the amount can be measured reliably.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity.

Support costs allocation

Support costs are those that assist the work of the Charity but do not directly represent charitable activities and include office costs, governance costs and administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

The analysis of these costs is included within note 8.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings 15% per annum IT equipment 25% per annum Motor vehicles 20% per annum

Depreciation is no longer charged on the Charity's property as the properties are not seen as diminishing in value, and therefore any depreciation charge would be immaterial. Properties are reviewed annually for impairment.

A limit of £1,000 has been set so that items of a fixed nature will be capitalised if above this amount.

1.7 Fixed asset investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the Statement of Financial Activities (SoFA) if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

1.8 Impairment of fixed assets

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in income or expenditure unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors are initially recognised at transaction price unless the arrangement constitutes a financing transaction. Financial liabilities classified as payable within one year are not amortised.

1.11 Taxation

The Charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

1.12 Employee benefits

When employees have rendered services to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

1.13 Retirement benefits

The Charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

2 Critical accounting estimates and judgements

(Continued)

Key sources of estimation uncertainty

Depreciation

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives. Expected useful life in this calculation is an estimate. A review is required annually to ensure no assets are being depreciated by more than cost, and that consumption is appropriate.

Deferred income

Income for projects is deferred where milestones have not been met by the year-end, which is entitlement and where project income is received in advance of contracted date.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

27 Related party transactions

There were no disclosable related party transactions during the year (2023 - none).

Oxfordshire Mind is a part of the National Federation. Although an independent organisation, we are subject to a regular audit (the Mind Quality Mark), which provides helpful scrutiny. A key benefit of the federation is the opportunity to work with colleagues in National Mind and other Local Mind Associations around the country and learn from each other. In addition, we are able to bid for funding from National Mind where appropriate.

The charity subscribes to the Mind Block insurance policy for local Mind groups.

28 Analysis of changes in net funds

The Charity had no material debt during the year.

29	Cash generated from operations	2024 £	2023 £
